

DHEA 50mg Anti-Aging Support

Supplement Facts		
Serving Size: 1 Capsule		
Amount Per Serving		
	Amount	% Daily Value
DHEA (Dehydroepiandrosterone)	50 mg	*
* Daily value not established.		

Dehydroepiandrosterone (DHEA) is a hormone that comes from the adrenal gland. It is also made in the brain. DHEA leads to the production of androgens and estrogens (male and female sex hormones). DHEA levels in the body begin to decrease after age 30. Lower DHEA levels are found in people with hormonal disorders, HIV/AIDS, Alzheimer's disease, heart disease, depression, diabetes, inflammation, immune disorders, and osteoporosis.

Other ingredients: Rice flour, gelatin (bovine), vegetable magnesium stearate and silicon dioxide.

Non-GMO Formula

CAUTION: This product is manufactured and packaged in a facility which may also process milk, soy, wheat, peanuts, tree nuts, fish and crustacean shellfish. **KEEP OUT OF THE REACH OF CHILDREN. DO NOT USE IF SAFETY SEAL IS DAMAGED OR MISSING. STORE IN A COOL, DRY PLACE.**

SUGGESTED USE: 1 capsule daily preferably with a meal or as directed by a healthcare professional.

NOT FOR USE BY INDIVIDUALS UNDER THE AGE OF 18 YEARS. DO NOT USE IF PREGNANT OR NURSING. Consult a physician or licensed qualified healthcare professional before using this product if you have, or have a family history of, breast cancer, prostate cancer, prostate enlargement, heart disease, low "good" cholesterol (HDL), or if you are using any other dietary supplement, prescription drug, or over-the-counter drug.
